Sivananda Ashram Yoga Program is for those who seek to live life with a deeper understanding of their true nature. It is essentially a spiritual program that directs the practitioner to find their true Self and to come to an understanding of the nature of existence. There is no requirement to follow any particular religion; yoga is the path of self-knowledge not an external belief system.

Our programme is not suited to those who are unable to commit to supporting and following the program.

We follow the way of Integral Yoga which includes Jnana (the yoga of right knowledge) Bhakti (the yoga of devotion) Karma (the yoga of selfless service) Hatha (the yoga of the body and breath) and Raja(meditation).

If a resident tests positive to Covid 19 they must move to the isolation room immediately and notify the House Manager. Be prepared for isolation by discussing requirements with our House Manager on arrival.

Sivananda Ashram is unable to accommodate those suffering from a current mental health diagnosis or coping with substance abuse issues or withdrawal. We have a strict policy of no alcohol, no smoking and no drugs on the premises, non-compliance will result in termination of your stay.
